FOSS asia

OpenTechSummit
Singapore, March 14 - 17, 2019

Exhibition Booklet

2019.fossasia.org/exhibitors

FOSSASIA is Asia's leading FOSS Technology conference for companies, startups, developers, educators, and IT professionals since 2009. 2019's event will cover Machine Learning, AI, Blockchain, Cloud, Hardware, Science and DIY.

3,000+ of Asia's best and brightest developers, startup founders, business decision makers will gather at the event

FOSSASIA offers exhibitors the unique opportunity to:

★ **Drive sales.** Statistics show that 92% of attendees visited exhibition showcase.

★ **Reach the tech audience.** 60% of attendees were IT professionals. Major tech players including Google, Microsoft, Intel, IBM, Samsung, Oracle, SUSE, Singtel, Huawei and many others participated at previous events.

★ **Connect with new customers, investors and the world's top IT companies.** The number of successful partnerships and collaborations continue to grow over years at the FOSSASIA Summit.

★ **Receive international exposure.** 70.8% attendees were from Singapore, followed by India, Indonesia, Germany, Vietnam, Australia, Japan, Malaysia etc. (41 countries)

★ **Reach a new developer generation.** Students from 56 schools and universities majoring in computer science and engineering from Singapore and other Asian countries attended the last FOSSASIA Summit.

★ **Recruit the best talents in the industry.** There is no better place to recruit talent than tapping into the highly skilled open source developers pool.
